

Sports Premium Plan and Impact Statement 2019 – 2020

This action plan aims to improve the quality of the PE provision in the school including increasing participation in order that all pupils develop a healthy lifestyle and a passion for sports.

Coates Way School

Sports Premium Grant Planning: 2019 – 2020

Following on from the successful Olympic Games held in London in 2012, each year the Government allocate funding directly to primary schools to support the provision of quality PE and sport. Each school receives a lump sum of £16000, plus an extra £10 per pupil each year. At Coates Way this amounts to approximately £1800 per year. This money is ring-fenced to ensure PE and sport is at the heart of school life to raise achievement for all young pupils.

Primary Sports Premium Funded Allocation 2019 - 2020	
Pupils on Roll (excluding nursery children who are not eligible for funding)	180 (April 2019)
Lump Sum	£16000
£5 per pupil expected	£1800
Total expected	£17800

Sports Premium Grant Planned Initiatives 2019 - 2020				
Initiative	Budget	Objectives	Evidence Sought	Monitoring Impact
Additional equipment required as decided by children and staff	£1500	Funding will be used to purchase additional sports equipment for use in P.E lessons and at break and lunch times. This equipment will help children to further develop their skills. Supplemented by school budget and Sainsbury's Active Kids vouchers.	Additional equipment is purchased that complements existing resources and enables children to participate in a wider range of sports.	New footballs goals, racquets, balls and mats have been purchased. All year groups now have access to sufficient resources for a variety of different sports.
Purchase new cooking equipment including oven and cooking learning resources	£3000	Provide children with the opportunity to learn new skill regarding eating healthily ensuring good health and well-being.	Children will make better choices at lunch times and will understand that it is important to eat a	All year groups now accessing equipment and 29% of key stage 1 and 2

			well balance diet to maintain good health	children are attending after school cooking club
Primary Sports Partnership	£2100	To involve the school in the sports partnership to benefit from all the links, sporting festivals, events, training and lesson support from young leaders and specialist PE staff.	Children from all classes enjoying a number of new sporting experiences in school and against other schools	Not used. Money carried over to new funding year.
Cycling Proficiency Year 6	£900	To provide children in Year 6 with specialized cycling training in order that they will be safe when on the roads	All children in Year 6 who participate will pass their level 2 cycling proficiency	Twenty two out of 29 pupils participated in cycling proficiency. One child did not meet the criteria, one child achieved level 1, the remaining 20 pupils all passed
Provision of free lunchtime and after school clubs to encourage children to participate in additional sporting activities particularly PP children	£1500	Children will have access to a number of sports and games beyond that of the national curriculum recommended entitlement. To encourage children to have a fit and healthy lifestyle	Number of children actively participating in additional sporting activities will be monitored to show a rising trend. Focus on providing more opportunities for PP children.	In the autumn term 59 children in Years 1-6 were participating in- football, cheerleading, hockey and netball. In the spring term numbers dropped quickly due to the impact of Covid-19 and attendance rates falling.
CPD: to continue to increase staff knowledge and skills in order to deliver high quality lessons	£1450	Upskilling of teaching staff through observation and team teaching opportunities. To ensure teachers' skills are continuously developing.
